Juliet James : The Heir to Aveley Hall (Hesitant Brides Trilogy; Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heir to Aveley Hall (Hesitant Brides Trilogy; Book 1):

0 of 0 people found the following review helpful. Good short read.By B.Mug.Mac.I have read many of Juliet James books. This as most is a short read, but that works well for my busy schedule. I like the story lines and the details AND I like happy endings so her books work well for me.0 of 1 people found the following review helpful. Take care lest you be overheard!By Kindle CustomerThese are words that Lydia would do well to heed! More than once she was overheard making remarks that didn't put her in a favorable light and in spite of his initial dislike our hero came to love her! Both main characters had redeeming qualities, but this reader found her a snob since I thought some of her remarks and projected behavior in bad taste!1 of 2 people found the following review helpful. Good readBy CustomerInteresting characters scenario. True to the period. About redemption tension between couples family members. A 5 star if more humor like some of author's other books. Even better if it was a clean romance.

Free with Kindle UnlimitedAuthor's noteDear readersI am the author of mostly Georgian novels and not the Mail Order Bride series; Ruby, Emily, Violet, Etc, they are written by another author who goes by the same name. Sorry for any confusion.There is a list of my books further down the pageWhen Lady Lydia Anne Beaumont, at her grandfather's request, seeks out another man who she hopes is a better heir to the Beaumont's Estate and vast wealth, than the present one, little does she know that she has met her match in Alexander Martin, as they both take an instant dislike to each other.It isn't long before a battle of wits and wills begins between Lydia and Alexander, and Lydia soon begins to regret her decision to seek out the new Heir to Aveley Hall, even if he is handsome and has a very strange effect on her.A fun Georgian RomanceOther books by this author in order of publicationThe Remarkable Journey of Madeline MeredithTo Love and to DeceiveAn Incomparable LoveThe In a Different Class TrilogyA Servant's Lot; Book 1A Need to Win; Book 2Revenge and Redemption; Book 3A Perfect DeceptionThe A Governess in Love SeriesA Bountiful Love; Book 1Christmas Incognito; Book 2The Hesitant Brides TrilogyLady Reckless; Book 2The Widow Most Wicked; Book 3
